Hello,

The Bass Lake Action Committee is submitting the following public comments for inclusion on the El Dorado County Board of Supervisors January 15, 2019 Agenda Item #26, Legistar File #19-0050

As a non profit organization, focused on community engagement in our Bass Lake Area of El Dorado Hills since 2003, we have a long and integral history with projects at Bass Lake, and the impacts to area residents. We've heard from many residents since this agenda item was published on Wednesday, January 9, 2019, that have urgent, valid concerns, regarding the proposed use of this County owned property. Working cooperatively as one of several stakeholders with the El Dorado Hills Community Services District on their vision of a multi use regional recreational and open space asset at Bass Lake for all residents of El Dorado County, we are concerned about the many negative impacts of this proposed land use by the El Dorado County Department of Transportation.

We look forward to the discussion of Agenda Item #26 on Tuesday.

Warm regards,
John Davey

John Davey
2019 Bass Lake Action Committee Vice President
